Accredited Laboratory

A2LA has accredited

LEE STEEL HOLDING LLC
Wyoming, MI

for technical competence in the field of
Mechanical Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2005 General requirements for the competence of testing and calibration laboratories. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated 8 January 2009).

Presented this 20th day of December 2017.

A handwritten signature in blue ink, appearing to be 'John...', is written over a horizontal line.

President and CEO
For the Accreditation Council
Certificate Number 1829.01
Valid to December 31, 2019

For the tests to which this accreditation applies, please refer to the laboratory's Mechanical Scope of Accreditation.
